

Questionnaire for Mapping School Health Promotion Initiatives and Programs

Background

The Health Promotion Department at the Ministry of Public Health is conducting a mapping exercise to identify schools' health promotion programs and initiatives implemented in schools across the State of Qatar. This questionnaire is being shared with relevant ministries and institutions, as well as with departments and sections within the Ministry of Public Health, to support coordination, alignment, and future planning of school health promotion activities.

Instructions

1. Complete a separate questionnaire for each program or initiative. Answer only about the specific Program/Initiative/Activity being described.
2. Use the questionnaire navigation buttons; do not use browser arrows.
